We-Energy Game

How can you make a city energy neutral?

Learn to play it in 10 minutes

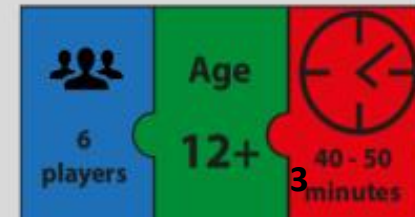

- Contains
- 72 energy cards
 - 1 map of a Village
 - 1 map of a City
 - 1 Board
 - Rule book
 - 1 USB stick
 - Change cards
 - 2 Dices

its advantages and disadvantages and can affect the score of each player. But Beware! the change cards can change the current flow of the game, by blocking players, cards or changing the score.
