Distinction between:

- Experience
- Experience knowledge
- Expertise by Experience

XIII WAPR WorldCongress JULY 5 - 7 2018 Recovery, Citizenship, Human Rights Reviewing consensus www.wap2018madrid.com info@wap2018madrid.com **MADRID 2018** PROFESSIONAL REHABILITATION & MENTAL HEALTH FOLLOW US: f WAPR @wapr_jmp

Expertise by Experience?

Expertise by Experience means that people with disabilities, based on their own experiences with illness, disability and recovery, plus the experiences of others, develop experience knowledge that can be used, so it gets meaning for the recovery process of other people with disabilities
